TERMS OF SALE

1. A 10% Buyer's Charge will be added to the successful bid price of each lot.
2. This sale is an unrestricted Public Auction and Mail Bid Sale. All bids are to be entered by lot as numbered in this catalogue. Mail bidders should feel free to bid as much as they wish knowing that we will buy the lot, if possible, below their bid. Thousands of bidders to KATEN SALES can attest to this statement.
3. We make no other charges except the actual cost of mailing, and insurance/registration. On books we charge 50¢ with added cost when a number of books are in the same lot. We use discretion and never overcharge you. (Others charge \$1.00 per lot on books)
4. Bidders unknown to us must send a deposit of 25% of their bids. References are useful for later bidding.
5. We reserve the right to reject any bid from any bidder when we deem a bid not made in good faith. 'Penny' bids are not entered and the minimum acceptable bid is \$3.00 with increments of 50¢.
6. Auction sales are not approval sales. By submitting your bids you agree to the Terms of Sale herewith set forth. No lot may be returned without written permission and request must be made within five days after receipt of material. No lots may be returned by floor bidders.
7. All books are as described. The actual title in a foreign language is given — the cataloguer may interpret the title which would be in parenthesis. All books are in fine condition unless otherwise mentioned; are hard bound unless pb (pamphlet binding) is mentioned; or CaC (card binding) or pc (paper covers) is mentioned.
8. We acknowledge the possibility of errors or typographical mistakes, and any errors or mistakes on our part will be corrected. Please be careful in placing your bids, as we cannot be responsible for your errors. We instituted the duplicate bid sheet 40 years ago for your protection.
9. Auction Sales for U. S. Cash Funds. Payments must be made immediately upon receipt of material or upon notification. We reserve the right to demand payment before delivery.
10. Lots delivered in the State of Maryland are subject to a 5% Sales Tax and will be added to the invoice.

Catalogueing Part II of the Collection of DR. CHARLES WILLIAM RECHENBACH and DR. MARY C. RECHENBACH has given us a great deal of pleasure. While this is the remaining books there is much to interest any collector and particularly my faithful clients. For those getting a catalogue for the first time we would like to mention that Charles and Mary were good friends of ours for almost thirty years.

Charles Rechenbach attended University of Cincinnati where he obtained his Bachelors, Masters and Doctorate in Germanic languages and comparative linguistics and philology. From 1966 to 1977 he was with Catholic University working on special research in modern languages. As a matter of fact he was a lexicologist in his own right, having written and compiled the "Swahili-English Dictionary" in 1968 and published by Catholic University of America Press.

Mary Rechenbach obtained her Bachelors, Masters and Doctorate from the University of Maryland. She majored in ancient and medieval history. Her Ph.D. thesis was on Anglo-Gallic Economic Relations between 1200 1450 A.D.

In this catalogue you will find The Consignment of their Estates beginning on Page 60, Lots 764 thru Lot 1160. Many unusual books are offered - the works of Thomas Mann, the works of Goethe, Books in German, French and dictionaries from Afrikaans to Vietnamese. Scores of these published by the National Security Agency (NSA). If in doubt, consult the Easy Finding Index on Page 3.

- 353 A CONFEDERATE NEWSPAPER PRINTED ON WALLPAPER! THE DAILY CITIZEN, of Vicksburg, Mississippi, Thurs-

day, July 2, 1863. J.M.Swords, Proprietor. A 4-column sheet, 11 x 20". A 'last word' is reproduced to right. Although yellowed the sheet is almost perfect. I do not have the slightest idea of value not having sold one before. What is it worth, Col. Criswell?

NOTE.

JULY 4th, 1863.

Two days bring about great changes. The banner of the Union floats over Vicksburg. Gen. Grant has "caught the rabbit;" he has dined in Vicksburg, and he did bring his dinner with him. The "Citizen" lives to see it. For the last time it appears on "Wall paper." No more will it imagine the luxury of mule meat and fricassed kitten—urge Southern warriors to such diet never more. This is the last wall-paper edition, and is, excepting this note, from the types as we found them. It will be valuable hereafter as a curiosity.

In our Sale No. 58, we wrote, "THE FOLLOWING GROUP OF BOOKS ARE NOT GENERALLY FOUND IN A NUMISMATIC AUCTION CATALOGUE. DR. CHARLES RECHENBACH WAS AN ACCOMPLISHED LINGUIST AS WELL AS A LEXICOLOGIST. HIS COLLECTION OF DICTIONARIES, LEXICONS, GRAMMARS, WORD-BOOKS DID NOT JUST ADORN HIS SHELVES, BUT WERE USED. I hope that I can do justice to this very interesting group of books. (FJK)"

Everyone of the 77 lots sold in sale No. 58, all to floor bidders after spirited bidding. In this second group, we have the remainder of the collection, but also a group of dictionaries and learning tools of the National Security Agency. These will be designated 'NSA'.

- 1003 J.G..Gotta'scher Verlag: (Publisher) 40 Vols. in 20 - 2 vols. to book. Approximately 500 pages per book. Stuttgart und Tübingen, 1840.
